

# How-to Send a Message from the ELD

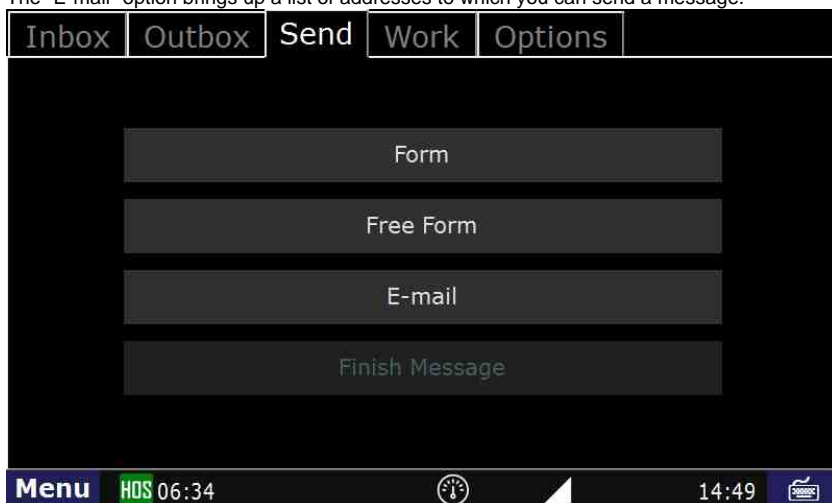

## How to send an email message from your unit.

### Step-by-step guide

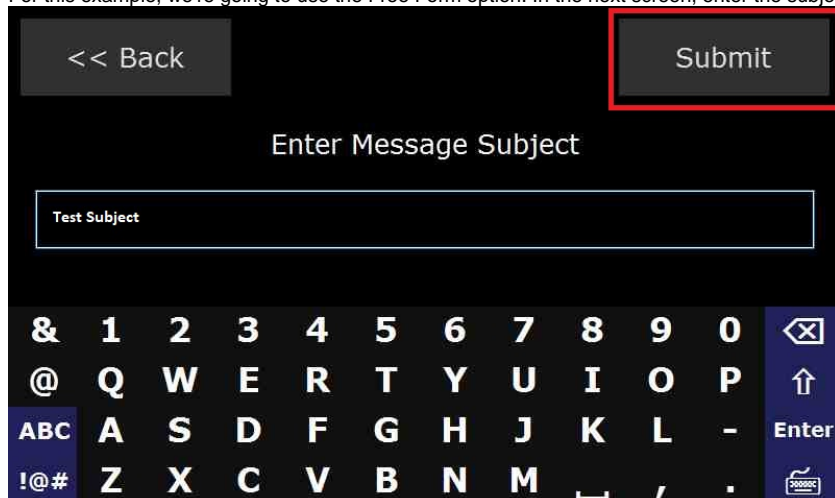

1. Touch the "Mail" (the mailbox) icon on your menu screen.

2. Touch the "Send" tab
  - a. The "Form" option will bring up a series of templates from which you can choose.
  - b. The "Free Form" option will bring up the window to enter the subject, message, to send to Dispatch
  - c. The "E-mail" option brings up a list of addresses to which you can send a message.

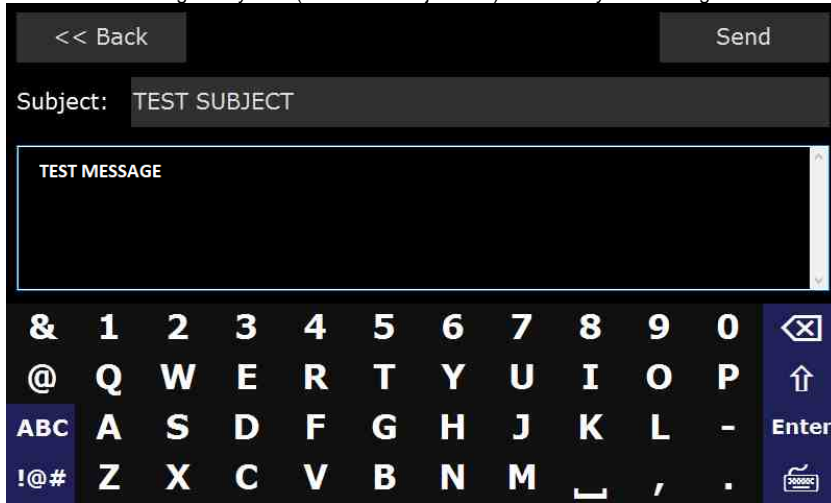

3. For this example, we're going to use the Free Form option. In the next screen, enter the subject, then touch Submit
