

Why does my unit not ask me to fill out a DVIR when I go Off-Duty End of Shift?

Question:

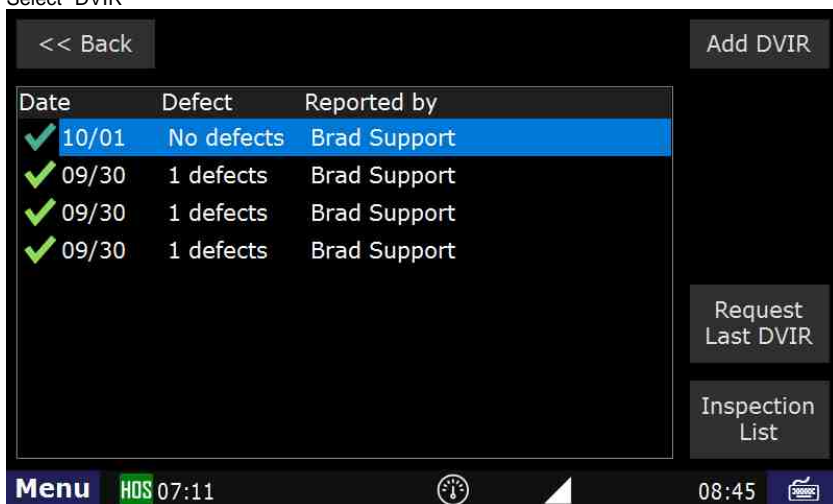

Why does my unit not ask me to fill out a DVIR when I go Off-Duty End of Shift?

Answer:

The TruckPC will not ask for a DVIR when selecting 'Post Trip' or 'End of Shift' if there is already a DVIR that has not been reviewed.

To check if there is a DVIR that has not been reviewed, follow these steps:

- Open HOS
- Go to "Options" Tab
- Select "DVIR"

- If there is a DVIR listed in the box that does NOT have a checkmark on the left-hand side, open the DVIR
- Review DVIR and certify when completed

After the DVIR has been reviewed and certified, the unit will then ask if you would like to fill out a DVIR the next time you go Off-Duty and select "End of Shift" or "Post Trip"
