How-to Use the Co-Driver Feature

How-to article template

Step-by-step guide

- 1. The co-driver (the person who is not actually driving) logs in to the unit
- 2. The co-driver enters an Off-Duty or Sleeper Berth status
- 3. The co-driver logs out
- 4. The driver (the person who will be driving) logs in
 5. The driver enters an "On-duty" status, and ensures to add the co-driver as the co-driver on the status
