

Where can I find the details on my current trip?

Q: Where can I find the details on my current trip? I'd like to see my BOL, trailer number, carrier info, etc.

A: You can find the details for your current trip by following these steps:

1. Open the HOS app from the main menu
2. Press on the "Logs" tab
3. Press on the line for the current day
4. Press on the "Summary" tab
5. Here you can find information such as you carrier, driver ID, Co-driver, BOL and trailer.

The summary tab looks like:

The top screenshot shows the HOS app interface for a user named Brad Support. The 'Summary' tab is selected, displaying driver information:

Display Date:	08:04 10/03
